

Talking Points for Corona Virus Discussion with Pastors:

What rationale and decision making process did you use in deciding either have services or not to have services?

Decision Making Template of Daron Edwards

How did your people respond to the decision you made?

What are some of the possible consequences of a church not meeting for several weeks in a row?

Have any of you been encouraged by schools, local officials to close your services?

Have any of you experienced any scrutiny from medical professionals, city or county officials for having services?

How should the church respond if the government authorities rule that churches must close?

Should churches be on the exemption list?

What are some ministry opportunities that the virus will provide our churches/Association?

How can the Association best help you at this point?
